STILL UNACCOUNTED FOR

- SAGRADA FAMÍLIA — TOMORROW 9:00 AM — no ticket found anywhere.** The Fever charge turned out to be the Royal Palace, so there is now NO evidence of a Sagrada purchase in the work inbox or the uploaded PDFs. **Check gabealbacete5@gmail.com tonight; if it's not there, buy immediately** (sagradafamilia.org → any Thursday-morning slot; fallback: Tiquets or the guided ticket). Everything about Thursday hinges on this.
- ~~Family return flight~~ — **booked (AA8837)** ✓. Brother's outbound never surfaced but he's here, so: moot.
- Dinner reservations:** Botín (Mon 8 PM — you say booked, personal Gmail), 7 Portes (Fri) and Casa Lucio (Sun) still unconfirmed.
- Juvé & Camps — RESERVED 2:00 PM Fri** ✓ — finish it: pay the €140 link when it arrives, and in the same reply request the **English guide, note two guests are 74, and the no-cheese substitution for Gabe**. Pre-book the 1:05 PM car out and 3:35 PM car back (Uber Reserve/Cabify).
- Check-in vs arrival gaps (both cities):** Barcelona check-in is **4:00 PM** (family lands 8:45 AM) and Madrid check-in is **4:00 PM** (train arrives 11:27 AM) — both are smart-lock self check-ins with no reception. **Message Sweett and Jorge about early bag-drop;** fallback is a Bounce/Radical storage shop nearby. Madrid's Saturday flow works fine either way: lunch near Tirso de Molina after dropping/storing bags, siesta once inside at 4, tuk-tuk at 7.

Tour Bernabéu

Hello,

Thank you for choosing Real Madrid Games — the new immersive and interactive experience at the Bernabéu!

Before your visit, please read this important information to make the most of your experience:

Get ready to create your personalised avatar

When you arrive at the RM Games entrance, we will be waiting for you to start creating your personalised avatar:

1. We will provide you with a QR code, which you will need to scan with your mobile device, and which will take you to the avatar creation environment.
2. Once inside the environment, you will need to take three photos of your face (front and sides).
3. You can then start customising your avatar and start playing from the very first minute!

Punctuality and timings

Punctuality is essential. There is usually an hour and a half between the access time for the Tour and for Real Madrid Games — more than enough if you respect the entry time for both activities.

The estimated duration of Real Madrid Games is 60 minutes. To keep on schedule, please follow the instructions of the assigned staff at all times.

Recommended age and physical conditions

The experience is designed for all ages and skill levels. Whether you're a football fan, a casual player, or a family looking for fun, Real Madrid Games has something for you.

However, the minimum recommended age is 6 years old, as participants must be able to read instructions and take part in dynamic environments. Participants should be able to read independently to fully enjoy the experience, and those under 15 must be accompanied by a responsible adult.

Please note that the experience involves some physical activity and is therefore not recommended for people with reduced mobility, epilepsy, cardiovascular diseases, or other conditions that may be aggravated during the activity.

Luggage and storage

There is no cloakroom service at the stadium. Large bags or suitcases are not allowed during the games, as they could prevent a safe and comfortable experience.

Technology and devices

Please ensure your mobile phone is sufficiently charged.

Come ready to play

You'll be moving, jumping, and playing — wear comfortable clothes and sports shoes. Avoid heels, formal wear, or clothing that restricts movement.

Where is it?

The experience takes place at the Bernabéu Stadium, with access through the entrance marked "Tour Access".

You don't need to be a football expert just come ready to have fun!

If you're visiting as a group, you can create several profiles from the same phone.

And if you don't have a smartphone, our team will be there to help you.

See you very soon to experience the game like never before.
