FALL 2026 · TODD SNYDER + AIMÉ LEON DORE · FOR DATES

The Snyder & ALD Run

Prices are full retail; Todd Snyder usually has a 20–30% code running — ask at the register. Core for dates ≈ $920; with jacket + trouser ≈ $1,720.

TONIGHT · BIEBER

Yellow crew, stacked trousers, Bostons

1. Sun Soaked crew, one size up 2. Olive Officer Pants, no cuff, stacked 3. Birkenstock Bostons, white crew socks 4. Black cap forward, gold chain out, sunglasses. A plain lemon or butter hoodie found in-store beats the crew; canary or mustard — skip.

Todd Snyder

Two sweater polos in colors you don't own, one merino shirt, then the crew for tonight. Jacket and trouser are try-ons. You're an M in their tops (per your striped polo tag).

MUST

☐ **Merino Sweater Polo — Espresso Bean** **$248**
Zero brown tops in your closet. Chocolate or olive trousers, pennies. Your default date top. Classic fit — true to size.
https://toddsnyder.com/products/merino-poloespresso-bean

☐ **Silk-Cashmere Ribbed Montauk Polo — Raisin** **$328**
Deep plum-burgundy — the one dressy color you have none of. Navy or chocolate trousers, Zegnas. Tailored but full enough to layer — true to size.

☐ **Merino Foreman Shirt — Camel** **$228**
Long-sleeve merino in your camp-shirt cut. Drapes like a knit, reads like a shirt. Cut a little boxy with split side seams — true to size.

Also in olive and light grey. Camel is the color you're missing.

☐ **Surf Terry Crewneck — Sun Soaked** **$119**
Tonight. Butter yellow, washed terry, straight fit. Size up one for the Bieber proportion; wears again with olive or navy trousers.

SHOULD · TRY ON

☐ **Boiled Wool Dylan Jacket — Gold** **$498**
Your cold-weather jacket. Boiled wool, trucker cut, warm through December. Listed as a slim fit — size up if you'll layer it over a sweater polo.
https://toddsnyder.com/products/boiled-wool-dylan-jacketgold
One jacket only — this, the Merino Bomber, or the ALD Barn Jacket. Try what's on the floor, keep one.

☐ **Merino Bomber Jacket — Espresso Bean** **$468**
The date-night jacket. Sleek knit bomber, brown, over a sweater polo. Less warm than the Dylan.
https://toddsnyder.com/products/merino-bomber-jacketespresso-bean

☐ **Italian Flannel Madison Trouser — Hazelnut** **$298**
A dressier, straighter cut than your pleated pairs — actually different, not another Officer. Warm mid-brown wool flannel: a real winter trouser. Sizes 28/32 – 38/32.
https://toddsnyder.com/products/flannel-ff-madison-trouserhazelnut
If you don't own a grey trouser, the same pant in Charcoal is the classic date-night flannel. Check your rack first.

OPTIONAL

☐ **Merino Finn Cardigan — Green Leaf** **$368**
The striped cardigan from the Bieber photo. Open over a tee on a date, buttoned when it's cold.
https://toddsnyder.com/products/retro-stripe-cardigangreen-leaf

☐ **New Balance 204L — Brown** **$120**
Cheap brown low-profile sneaker until the espresso Achilles lands. You're a 42 EU / 9 US.

Aimé Leon Dore

Nothing here is a must anymore. Go for the jacket comparison and the hat; leave with one thing or nothing.

SHOULD · ONLY IF YOU SKIPPED THE DYLAN

☐ **Lightweight Barn Jacket — Pine Grove** **$595**
Classic cut, sits on every trouser you own. Not as warm as the Dylan, dressier than the bomber. ALD runs traditional/true to size.

OPTIONAL

☐ **Colorblock Club Hat** **$80**
A second cap so the Yankees one isn't your only option. Works for tonight.
https://www.aimeleondore.com/products/colorblock-club-hat

☐ **Stripe Knit Beanie — Equestrian Red** **$120**
A real winter beanie. Not needed tonight.
https://www.aimeleondore.com/products/stripe-knit-beanie

☐ **Leon Dore Collegiate Rugby — Cornsilk** **$250**
Only if you want a second rugby because you love the first. Daytime-casual, not dinner.

Dinner: Raisin polo + navy Sea Captain trousers + espresso Zegnas.
Drinks: Camel Foreman shirt, top button open + chocolate trousers + brown pennies.
Cold night: any of the above under the Dylan or the bomber; Hazelnut flannel instead of cotton trousers.

Their tops run XS–XXL; trousers are numeric waist 28–38 with 30/32/34 inseams. Their own fit language for each item on this list:

Rule of thumb at Todd Snyder: knits and shirts true to size; anything you'll layer under, or want the Bieber proportion on, go up one.
